Honorable Sir:

Please be advised that our firm is proposed counsel to the Official Committee of Unsecured Creditors (the "Committee") in the above jointly administered cases. To this end, our firm's retention application will be filed with the Court in the very near future.

The Committee has conducted its first meeting and the Committee and our firm as proposed counsel respectfully request a one week extension, through and including Wednesday, January 20, 2010 to file its response papers in connection with the Debtors' motion seeking to reject certain container leases, and the responses submitted by the various lessors.

Our firm contacted counsel for the Debtors and the several interested lessors and each have advised that they have no objection to such extension of time so that the Committee may inform the Court of its position.

Thank you for your courtesy and consideration.

Respectfully submitted,
s/ Adam P. Wofse
